

I Have More Than One ScreenWatch Manager. How Can I Make All of the Settings the Same?

Summary

I am installing ScreenWatch on multiple instructor workstations. How can I configure all of the ScreenWatch Monitors to be identical?

Details

If you are deploying the ScreenWatch Monitor to multiple instructor workstations, there is a simple way to copy the same configuration to instructor computer.

1. Navigate to the folder that contains the configuration files.

Windows 98/Me:

C:\Program Files\AppliedComputerSystems\ScreenWatch

Windows NT/2K/XP:

Documents and Settings\All Users\Documents\AppliedComputerSystems\ScreenWatch

2. Copy the Users, Groups, and Config folders and contents to a network assessable drive.
3. Copy the Users, Groups, and Config folders and contents to the appropriate directory on each Monitor (Instructor) workstation.

Windows 98/Me:

C:\Program Files\AppliedComputerSystems\ScreenWatch

Windows NT/2K/XP:

Documents and Settings\All Users\Documents\AppliedComputerSystems\ScreenWatch
